

Nursery Newsletter

26th May 2023

Dear Parents/Carers,

We have really enjoyed working with your children over this last term.

Special points of interest:

- This term's activities
- Calendar Dates
- What's happening at Eastwood

Beech Class

The children have been using positional language, while building complex structures. They have enjoyed group singing sessions and have increased their repertoire of songs.

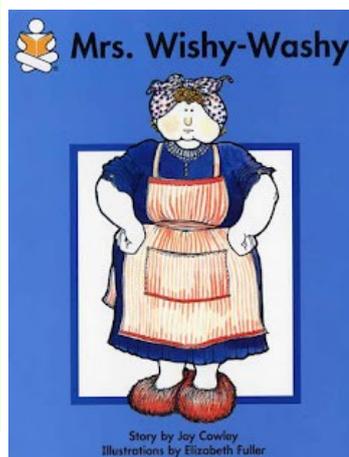

Chestnut Class

This Term we have been exploring lots of water play and different sensory textures.

Our story and song focus has been **Dear Zoo** and **Old MacDonald**. We have enjoyed looking at the books and playing with the animals.

We are focusing on mark making and like to paint independently on the easel. We are also completing up to 6 piece puzzles and really enjoy the ones about different types of transport.

Maple Class

The children have been exploring scissors and demonstrating their hand-eye co-ordination while developing their fine motor skills.

The children have taken on the role of **Mrs Wishy Washy** and retold the story using props.
