### Duchesne House Visit

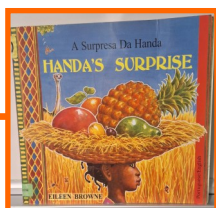

The children visited the home for retired nuns and together they sang Christmas songs and played musical instruments. This was a wonderful Christmas experience.

## Our Classes

### Beech Class

Our focus story was Handa's Surprise. The children learnt about Handa's walk which took her past a variety of animals. The children were able to re-tell the story developing vocabulary to imagine, explain and develop ideas.

### Maple Class

As Part of the Christmas experience an Arctic Scene was created in the classroom.

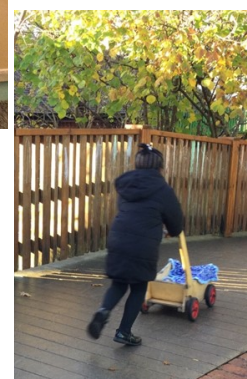

The children played with the Polar Bears, working imaginatively to recreate and develop their story telling skills.

### Chestnut Class

We have been very busy this term exploring different construction toys and we loved the large and magnetic blocks.

We've also been playing with numbers and enjoy putting them into order.

Outside has been great fun too. We've ridden the wooden cycles and have taken turns to push the babies in their buggies.

## Community Shed Helpers

In the garden the children had the opportunity to use tools alongside skilled workmen to repair our flower boxes . The children listened and followed instructions improving their skills and developing their knowledge in solving practical problems in the real world.
