Our End of Year Picnic for all

A reminder to please come along to our End of Year Picnic on **Friday 22nd August 2025 from 4:00pm—6:00pm.**

We will be based inside of the Roehampton Gate entrance at Richmond Park on the large grass area.

We kindly ask that all families bring along picnic food donations to share along with some outdoor games should you have any.

Further information will be shared for parents whose children are in attendance at nursery on this date.

School Leavers—Afternoon Tea Party

Thursday 23rd October 2025 4:00pm - 4:45pm

We are sad to be saying goodbye to many of our Primary School Leavers this term. It would be wonderful to see how the children have enjoyed their first half term at School.

We are therefore welcoming back our Primary School Leavers for an afternoon tea party at Eastwood.

Please let us know if you will be attending by emailing edn@eastwood.wandsworth.sch.uk by no later than Friday 3rd October 2025.

Group Games..

The children have been turn taking whilst playing small group games. They have particularly enjoyed the game of **pop up pirate** becoming very excited when the pirate pops out of the top of the barrel.

Making Shakers..

The children were very busy posting spaghetti into containers to turn these into shakers whilst singing some of their favourite nursery rhymes.

The older children also explored different sizes when breaking the spaghetti into smaller pieces.

Puzzles..

The children have been investigating with puzzle pieces, pictures and locks. They have spent a long period of time working out how things work and placing puzzle pieces back into the correct slots.

Beech Class

All kinds of construction..

The children have been showing a huge interest in planning, designing and constructing with different types of construction resources in Beech Class.

They have been working together collaboratively to make the tallest towers. The children have tested out their ideas placing blocks in different positions to make their structures strong.

Patterns..

The children have been following sequences and patterns working out what shape or colour they needed next to complete their sequence.

This has supported in developing the children's early mathematical skills as they also counted out how many shapes were in their patterns with 1 to 1 correspondence.

Making Dens..

The children made their very own dens with crates, beds, cushions and blankets.

They took it in turns with one another to pretend to read different stories in their dens and were also very excited to turn off the lights and make the classroom dark.
